FRANKLIN-REBUILT THE NEXT BEST BUY

Next to a brand new Franklin, the best buy is a rebuilt Franklin.
We handle no other car, consequently we can afford to carry an immense stock of Franklin parts, thereby insuring prompt service. Our employes are all factory-instructed mechanics and we will have the best equipped shop in the South when our new building is completed.

Our service manager, has been with us for five years and knows the car. Ask any Franklin owner about this service.

We are now rebuilding several five-passenger touring cars and one two-passenger roadster. If you are inter-ested and would like a special golor paint job, see us at once.

OUR GUARANTEE

We give the same guarantee on a re-built car that we give on a new car. The reason that we can do this is that the car is rebuilt completely by expert Franklin mechanics, every part is re-placed that shows the slightest wear. A first-class paint job—your choice of color—is included.

INSPECTION AND SERVICE

This service consists of a therough inspection by an expert. We clean and wash out the crank case once a month, furnish all the lubricating oil, keep the car greased, make all running adjustments as long as you own it.

Phone us and we will explain this wonderful service more fully. Dort, 5-passenger .....
